2026

Welcome to the fourth edition of our end of year publication. It is an honour as the newly appointed chair of the Club Engagement Committee to write this introduction.

As many of you may know, the board is made up of volunteers and the 10 of us along with President Jane Walter offer a great breadth of experience both from amateur golf as well as skill sets developed from our careers in commerce and the private and public sectors. Those who chair sub committees have the fantastic support of some Hertfordshire golf club members, also volunteers. We all share a passion for golf. Hertfordshire Golf works hard to support our members and clubs as you will read later in the 'What We Do For You' section on page 30.

It is always important to review and refresh our team and its thinking which is why our constitution states a term limit for each board member.

This spring saw a changing of the guard and after five years as Chair of the Board, Bobby Kendall stepped down. We would all like to take this opportunity to thank Bobby for his time and tenacity in keeping on top of things for the county.

Jane Clarke, previously the Club Services Director, has been appointed to Chair. Jane has been on the board since 2023 and has a wealth of experience to bring to the role.
We have seen some other structural and personnel changes. Club services has amalgamated with Marketing and Communications and although former M&C Chair Janet Biscoe is no longer a director on the board, she is a valuable member of the newly formed Club Engagement Committee.

We are also very lucky to have a great team of professional staff in the office led by Louis Matamala, our County Secretary. The work they do helps not only the board but also our clubs and members who rely on them to answer a huge variety of questions. They filter the information and changes from England Golf and work tirelessly in growing the game in all areas to ensure that Hertfordshire Golf continues to be a force of strength today and in the future.

YOU WILL READ ABOUT THE AMAZING SUCCESSES OUR PLAYERS HAVE HAD THIS YEAR NOT ONLY AT COUNTY LEVEL BUT NATIONALLY AND INTERNATIONALLY. THESE HAVE BEEN DELIVERED IN ALL AGE CATEGORIES AND IS SOMETHING WE CAN ALL BE VERY PROUD OF. WE'VE SEEN SOME AMAZING ACHIEVEMENTS SHOWING THE ABILITY AND DETERMINATION OF OUR MEMBERS, SQUADS AND THEIR COACHES.

Such an incredible year by all and I hope you enjoy reading about the endeavours and successes of our players in Hertfordshire.

2026 COUNTY CHAMPIONSHIPS

Haley Yerxa and Rio Saigal

The County Championships returned to Ashridge Golf Club for the first time since 2009 with Moor Park's Rio Saigal and Haley Yerxa of Bishop's Stortford battling through 36-hole medal qualifying and four matchplay games each to claim their titles.

An exceptionally low qualifying score in the **Men's County Championship** history of one-under-par 143 and a six-man play off for the final spot was required to determine the matchplay field. Eventual champion Rio displayed his great form from day one taking the medal and first qualification spot with a seven-under-par two-round total of 137.

Rio needed three extra holes in his semi-final win over two-time champion Harry Cox and required additional time again in the final before overcoming James Baxter of the Centurion Club. James, who also narrowly missed out to Rio on countback for the qualification medal, led the final by two holes with three to play.

After James bogeyed 16 the deficit was reduced to one and a superb birdie four by Rio on 17 drew the match level. James had a birdie putt on the 18th green but after his attempt from 12 feet grazed the edge of the cup, extra holes were needed. A par four on the first extra hole secured the title for Rio. Later in the year Rio came up just short in the Champion of Champions tournament, losing a play-off in the final at Woodhall Spa Golf Club.

The women's qualifying medal also gave a strong indication of the winner's form with eventual champion Haley Yerxa emerging in top spot after 36 holes of strokeplay with a two-round four-under-par total of 142.

Janet Proudfoot

Amelia Parker & Kelly Cooke

Janet Akers

Sixteen players went on to play in the matchplay rounds. After a dominant 8&6 first round victory, both Haley's quarter and semi-finals matches went to the wire with one-up victories over Nicola Callender and Ava Gadsby on the 18th green, securing her a spot in the final. The final was more straightforward for Haley as she cruised to an 8&7 victory over Kelly Cooke. Haley went on to finish a very creditable third in the Champion of Champions event at Woodhall Spa Golf Club.

It was a busy long weekend of golf for the best female players in the county with the Seniors and Veterans Championships, Champion Club and Anne Pyke Trophy (best 36 hole net) all being decided.

Home player Janet Proudfoot produced a best-of-the-day second round four-over-par 77 to take the **Seniors Championship** by one shot from Debbie Lear and Suzanne Thrower. The **Veterans'** prize was won by Janet Akers of Brickendon Grange with a gross 84 (+11).

Fourteen-year-old Amelia Parker of Letchworth managed a double win. Amelia won the **Anne Pyke Trophy** with an impressive two round net total of eight under par. She also successfully paired up with club mate and this year's County Championship runner-up Kelly Cooke to take the **Champion Club** crown by a massive 18 shots.

The 2027 County Championships will be held at Brickendon Grange Golf Club from Thursday 27th to Sunday 30th May 2027.

COUNTY FINALS DAY

Harpenden Women's Scratch Team

Hadley Wood Artisans Team

County Finals Day took place on a glorious October morning at Stocks Golf Club with seven finals to determine winning players, pairs, teams and clubs across our various knockout events. For the first time the final match up in the Women's Scratch League was also contested.

The first final was for the **Women's Powell Cup**, a club event with a scratch foursomes matchplay format. Porters Park pairing Jane Bellis & Mawgan Vater made a strong start which was to prove decisive in their victory over Ashridge's Janet Proudfoot & Bridget Andreas.

Porters Park were represented in two other finals but came up just short in both. The **Mixed Greensomes** went to the 17th hole with Wayne Batchelor & Emma Duckworth of Knebworth proving too strong for Peter Uri & Max Bourn. In the **Women's Fourball** where a partnership must have one player above 18.0 index and one below, Simmi Ciccone & Christine Harrison of Hadley Wood produced a great run after the turn to pull away from Porters Park pairing Danielle Alexander & Emma Goss.

Tracey-Lee Wingrove of South Herts triumphed over Verulam's Belinda Mobbs in the **De Paula Cup**, a women's handicap matchplay category for indices between 9.4 and 24.4.

Emma Duckworth & Wayne Batchelor

John Hair

Christine Harrison & Simmi Ciccone

Tracey-Lee Wingrove with President, Jane Walter

Jane Bellis & Mawgan Vater

The Members Cup – the men's singles handicap event was contested in such convivial spirt that the remaining holes were played out even after John Hair of Hanbury Manor had secured victory over Letchworth's Colin Wing.

There was drama in the **Golf Holiday Direct Women's Scratch League** title decider with the first pair heading out for a play-off after tying over 18 holes. However, before they could complete the hole, news filtered through that results behind meant Harpenden had secured the three points necessary for victory over Old Fold Manor in the five player women's scratch tournament for the Ovaltine Trophy.

Hadley Wood Artisans took the **Men's Herts Team Cup** winning against South Herts. The format is four fourball betterball matches played off handicap for players between 5.5 and 20.4. The match was a tight affair and was eventually decided by a putt on the 18th green in the third match out which guaranteed Hadley Wood Artisans the title.

2026 REVIEW

Blake Stopforth

Luca Lancaster

Herts & Essex High School Team

Hertfordshire Boys Team

Sir John Lawes School Team

Hadley Wood Team

The season got underway with the Schools Team Championship at Mill Green Golf Club. Mill Green were fantastic hosts demonstrating why they were recently awarded Club of the Year by England Golf.

A revamped format this season saw two trophies contested. The Team Scratch Championship, with all three players' stroke play scores contributing to the team's overall aggregate. Herts and Essex High School's trio of Riley Jones, Rhys Hatcher and Phoebe Hussey, won by one shot from Parmiter's School. The 241 winning total included an excellent one-under-par 71 by Rhys and the lowest girls' gross of 77 by Phoebe.

The Handicap Team Championship, with the best two from three net stroke play scores counting, saw Herts and Essex High School narrowly miss out on a double as they finished second to Sir John Lawes School. Rhian Morjaria helped team mates Thomas Arnott and Blake Stopforth to victory with a two-under-par 70 which was both the low gross and net (66) round of the day.

Hertfordshire Boys overcame a morning foursomes deficit against Essex to retain the Cheshunt Salver in the 40th playing of the annual tournament. The match at Bishop's Stortford Golf Club came down to the final singles and Ollie Ockelford secured the necessary point with a one-up victory and an overall 9.5 – 8.5 win for Herts.

Amelia Parker

Peyton Subohon

Tommy Wise

The Junior Spring Meeting took place at Chesfield Downs Golf Club with 70 boys and girls competing in individual events, as well as the Junior Champion Club event.

The team event was won by Hadley Wood, with a score of 83 points, winning by three points from runners up Bishop's Stortford. The Hadley Wood team of Saahir Chandaria, Harry Hammond and Zach Lee went on to represent Hertfordshire at the England Golf Junior Champion Club final at Woodhall Spa Golf Club in Lincolnshire in August.

Bishop's Stortford took the top three places in the Girls' stableford event. Peyton Subohon claimed top spot on 44 points with club mates Abigail Fleming (42) and Flora Hadley (40) close behind. Amelia Parker of Letchworth took the scratch prize with 32 points.

Sandy Lodge Team

Scoring in the Boys' competition was also impressive with 45 points needed for a podium finish. The winner was Tommy Wise of Knebworth with an incredible 47 points. Countback on 45 points determined second with Grayson Gadsby of Royston pipping Hadley Wood's Saahir Chandaria. The best scratch score of 39 points was returned by Luca Lancaster of Hanbury Manor.

Mill Green Golf Club and the sunshine warmly welcomed us back for another of our Hertfordshire Schools Championship with 72 students from 26 schools competing.

The winner, with an excellent 38 points, was Blake Stopforth of Sir John Lawes School. Countback on 36 was required for second place with Nate Lord (St George's School) edging out Louie Cook (Goff's School) and Luke Vos (St George's School).

The Sandy Lodge trio of Antoni Hawkins, Adam Berg-Capin and Nick Curran took the Men's Champion Club title at Porters Park Golf Club. With all three scores counting in 36-hole scratch medal, the winning score of 435 was six shots better than second placed The Hertfordshire.

Individual scoring was good and Men's County Captain Connor O'Brien of Brocket Hall aced the 12th in his best-of-the-morning round two-under-par 68. In the afternoon Tom Turner of Harpenden Common returned a best of the day gross 67 - enough to secure him the individual medal with a 140 two-round total.

Ethan Akpan

Hanbury Manor Team

Ethan Akpan of Letchworth retained his Herts Salver title after a play-off win over three-time county champion John Ambridge at Welwyn Garden City Golf Club.

Both players carded level-par 70s in the event sponsored by the Society of Hertfordshire Golf Captains which also acts as a qualifier for the County Championship with 17 places up for grabs.

Verulam Golf Club hosted the **Men's Seniors Champion Club** tournament where countback gave Hanbury Manor a narrow victory over Berkhamsted.

Sixty six players from 22 clubs competed over 18 holes scratch medal with David Lang of Hanbury Manor carding a best-of-the-day level-par 72 to go alongside his club win with team mates Scot Bambridge and Tye Carter.

Richard & Thomas Doling

East Herts Team

Lilly Newton, Lily Hertz,
James Andrews & Jaego Gardiner

Essendon Team

Bury St Edmunds Golf Club was the venue for the East Region Schools Championship.

James Andrews (Highfield School, Letchworth) fired an afternoon five-under-par 67 to come from eight shots back to pip Jaego Gardiner (Parmiter's School, Watford) on second round countback after the pair tied on a two-over-par 144 total. First round leader Nick Curran (Merchant Taylors School, Northwood) finished sixth which was enough to claim a place in the National Finals alongside his Hertfordshire team mates.

On the girls' side Lily Hertz (Hertfordshire Regional School) and Lilly Newton (Bishop's Stortford College) recorded the best two net scores in the afternoon.

East Herts Golf Club hosted our **Family Cup.** The competition pairs a junior with an adult relative competing in a fourball betterball stableford.

The winning score was 40 points but it needed a back-six countback for Richard and Thomas Doling of Sandy Lodge to emerge as winners over Chris and Alfie Akers of Brickendon Grange.

The Women's Interclub Foursomes at Letchworth Golf Club again proved popular with 20 clubs represented by 40 pairs in the stroke play tournament. Each club had two pairs competing with the scores combined to create a team score in both the scratch and handicap events.

The best scratch pairs score for the day was achieved by Haley Yerxa & Ruby Esterbrook of Bishop's Stortford with a four-over-par 76. The best net pairs score was level par carded by Rhona Finch & Jeanne Linton of Harpenden.

The Handicap Cup for the best aggregate club net score was won by East Herts represented by Candida Wasely & Karen Bond and Sophie Brooke & Jane Reid.
The Interclub Cup for the best aggregate gross was won by Essendon quartet represented by Sarah Marley & Riya Chandaria and Emma Barrett & Helen Constantinou.

The Pearson County Finals day was contested by Hadley Wood, Brocket Hall, West Herts and hosts Brickendon Grange Golf Club.

Brickendon Grange and Brocket Hall won morning semi-finals against West Herts and Hadley Wood respectively.

The afternoon final was an epic encounter with the fourth game proving decisive as Daksha Pearson beat Cath Scorey at the first extra hole to secure the crown for Brocket Hall and along with it a place as Hertfordshire's representatives in the inter-county finals at Sundridge Park Golf Club. The finals day produced more success for the Brocket Hall team, defeating Surrey in the morning and Kent in the afternoon to claim overall victory in the Pearson Trophy for Hertfordshire.

Daniel Stannard

Warren Clarke with
Knebworth GC Captain

Jack Wilkins with
Old Fold Manor GC Captain

Daniel Stannard of The Hertfordshire won the Men's Under 35s Championship at Brickendon Grange Golf Club.

In the 36-hole scratch medal Dan led the scoring both in the morning (one-over-par 72) and the afternoon (69) to win by three strokes from Jamie Lacy of Stocks. Unfortunately, Jamie's afternoon round included a one-shot penalty for inadvertently moving his ball while using a yardage measuring device.

The venue for the event is traditionally the host club for the following year's County Championships and Brickendon Grange look forward to this honour in 2027 - the first time in its 60-year history.

Knebworth member Warren Clarke made home advantage count to win the Men's Mid-Age Championship by one shot from Harpenden Common members Tony Wilkins and Tony Mitchell.

In the 36-hole scratch medal Warren added a best-of-the-day 69 to his morning round of 72 for a one-over par 141 aggregate. Another Knebworth member, Trevor Fisher, achieved the rarest of birds with an albatross at the par five 17th in his afternoon round.

Luke Sawyer of Porters Park, playing off five, won the net prize with a two-under-par 140 aggregate score.

The County Boys Championship was played at Old Fold Manor Golf Club and 56 players competed in a 36-hole medal. For the first time the County Girls Championship was also held at the same venue with 15 players participating in the 18-hole medal.

Boys Under 14 team captain Jack Wilkins of Harpenden Common triumphed with rounds of 72 and 70 for a gross level-par 142 and victory by one shot from Porters Park junior River Gardiner.

Jack is one of the youngest winners in the event's history and he had a double success on the day as his score also secured him the Malcolm Reid Trophy for best Under 16 score.

Bishop's Stortford retained The Boys Team Championship and associated Commemorative Flag but needed the discarded third card rule to edge out Porters Park who had tied their 299 total. Bishop's Stortford were represented by Alfie Kitteridge, Oliver Bannister and Jesse Rasor.

Letchworth's Amelia Parker won the Girls Championship with a gross 83 (+12) and victory by three shots from nearest rival Abigail Fleming of Bishop's Stortford. In the net competition Mira Pasura of Moor Park won the main prize with a 70. Jade Wimalarathna of Sandy Lodge was a shot further back.

Simon Kay with
South Herts GC Captain

Amelia Parker

Winners at the Girls Championship

Charlie Doyle & Harry Eames

Two of the Bishop's Stortford Team

Wendy Plummer & Andrew Gardner

Simon Kay of Ashridge defeated Hartsbourne's Mark Gershinson in a sudden-death play off at South Herts Golf Club to become the county's Men's Seniors Champion.

The players tied the 36-hole scratch stroke play event at seven-over-par but Simon's par at the second extra hole secured the victory.

In the handicap event for the Terry Trude Trophy, Mark Saban of Mid Herts won on a second-round countback after he tied with Neil Jackson of Brickendon Grange on 145 (+1).

The first-time competitive pairing of Charlie Doyle & Harry Eames emerged triumphant in the Mixed Foursomes Championship at Mid Herts Golf Club.

The Berkhamsted duo followed up a morning one-over-par 72 with an afternoon 79 for a two-shot victory over home pair Lindsay Murray-Gray & David Rhodes.

In the handicap prize, Wendy Plummer & Andrew Gardner of Brookmans Park took victory with an overall total of 139.

2026 REVIEW

James Andrews & Laurie Owen

Jane Simpson

Nick Hadley & Steve Wright

As is often the case, local knowledge came to the fore at the County Fourball Championship at Bishop's Stortford Golf Club.

A total of 28 pairs made up of mixed and all male or female combinations – all nominated by their home club – contested the stableford format.

Nick Hadley and Steve Wright combined for a winning score of 44 points and victory by one point from Emma Dawson-Goodey and Lesley Cassidy of Essendon.

Herts Men's Captain Laurie Owen & James Andrews combined to take the Men's Foursomes Championship at Harpenden Common Golf Club.

The Letchworth duo posted a one-over-par 141 total for victory by two shots from home pairing Thomas Turner & Tony Wilkins.

Another Harpenden Common partnership James Hattam & Tony Mitchell finished fourth helping the host club to the Peggy Harkett Trophy for the best team score.

The Hertfordshire's Gary Camp stormed to victory with a total of 43 points and four-shot winning margin over his home course in the Men's Senior Challenge.

Thirteen of the 71-player field had 36 points or better and countback was required to separate the five players who finished immediately behind Gary. Ajaya Sodha from Moor Park took runners-up spot with Royston's Scott Ballentine third.

Craig Herbert of Letchworth triumphed in the over 65s and Vic Meakes of Rickmansworth won the over 75s category.

This was the first season Hertfordshire Golf assumed responsibility for the Senior Scratch Foursomes Competitions. Brookmans Park arrived at finals day at South Herts Golf Club having already won this season's Division One title. They completed a double by emerging triumphant in a format where the aggregate scores of all three pairs from the 24 competing clubs counted. Alongside this, the Senior Scratch Foursomes Knock Out Cup was contested. Brickendon Grange retained their title with a final green, final pair 2-1 victory over Ashridge A.

The Golf Holidays Direct Men's Scratch League crown has a new home after Ashridge ended Harpenden Common's five season domination of the competition. Ashridge secured the title with a dominant 9.5-2.5 victory over local rivals Berkhamsted in their final match.

Dyrham Park Golf Club hosted the Women's Senior Challenge. A third of the 37 players carded 34 stableford points or better.

The overall winner was Jane Simpson of Essendon, with a score of 39 points, enough to secure a two-point victory from three players. One of the three, East Herts' Gill George took first place in Division Two from another Essendon player, Lesley Cassidy.

Holly Lovell of Mid Herts, another played tied on 37 points, collected the winner's voucher in Division One. Jane Kitchen of Welwyn Garden City accrued 36 points and victory in the over 70s category.

Oliver Bannister

Amelie Stewart

Abigail Fleming

Darcy Eaton

The Schools Scratch Rose Bowl took place at Mill Green Golf Club and the tough conditions of wind and rain showers were reflected in some relatively high scoring with no player matching par in either the boys' or girls' sections.

Oliver Bannister of Birchwood High took the Boys' title with a two-over-par 74 while Amelie Stewart's 82 was enough to give the Monk's Walk student victory.

In the Year 10 and below category Darcy Eaton (Roundwood) edged out Niam Patel (Rickmansworth School) on back-six countback after both players carded 75s.

On the Girls' side, Abigail Fleming (home schooled) secured a two-stroke winning margin over Evie Crowhurst (Herts and Essex High) and Peyton Subohon (Avanti Grange).

Thirty eight pairs representing 19 clubs took part in the Club Officials Challenge event, played at Hadley Wood Golf Club.

The competition is contested by teams of four players, who all play some role in working or volunteering at club level.

The winning score in the aggregate of two pairs in four-ball better ball format was achieved by The Shire with 78 points, helped by an equal best of the day 43 points from Amar Virk & Dean Edwards, while team mates John Reynolds & Craig Pownall contributed 35 points.

Our 2026 Junior League concluded at Letchworth Golf Club. Essendon defeated The Hertfordshire in a tightly contested Ver Shield final while Bishop's Stortford beat West Herts in the Ver Plate.

The curtain came down on Hertfordshire Golf's competitive season with the playing of the Girls Autumn Meeting and Boys Under 16 Championship at Sandy Lodge Golf Club.

Samson Lobban defeated fellow Essendon member Lewis Wheatcroft in a play off for the overall scratch prize after both shot one-under-par 70s. However, Lewis' net score of 67 was enough for him to take home the overall handicap prize.

The main title competed for in the girls' section was the overall handicap prize and this was won by Avni Siani of Hadley Wood with 39 stableford points. Home player Alecia Ibekwem won the girls' overall scratch prize with 26 points.

MEN'S TEAM

As we reflect on the season, there have been plenty of positives to take away. We opened the campaign with a tough away fixture against BB&O at Frilford Heath Golf Club, earning a hard-fought and respectable draw against strong opposition. This was followed by an outstanding home performance against Bedfordshire, where the team produced a dominant display to record a convincing victory.

Unfortunately, our scheduled fixture against Middlesex was cancelled as they were unable to field a team. We rounded off the league campaign with a home defeat to Essex, but the effort and commitment from the players never wavered.

The six-man team event at Orsett Golf Club was another highlight of the season. The team put in a tremendous performance, with Max Hopkins producing a stellar display to win the individual title. Max has enjoyed an exceptional season and thoroughly deserved the recognition.

One of the biggest successes this year has been introducing more of our leading county players and giving several Under 18s the opportunity to step up into the first team, providing valuable experience for the future.

A huge thank you to everyone who represented the team this season. Special thanks go to Sam Little for his coaching support, Louis Matamala and Matt Crowhurst for everything they have done behind the scenes, our captain Connor O'Brien for his leadership throughout the year, and George Copley, who has been at every match keeping the team fed and hydrated. George's commitment has been outstanding, and we are delighted he will be taking on the role of First Team Manager next season.

Team Manager: Laurie Owen

WOMEN'S TEAM

The East Region County Match event took place at St Ives (Hunts) Golf Club in June. Hosts Cambs & Hunts selected the exposed, links-style course to take on the challenge of Bedfordshire, Essex, Norfolk, Hertfordshire and Suffolk. Shifting winds, sleeper-lined bunkers and heavy rain created conditions vastly different from earlier practice rounds.

The team opened with a 5–0 win over Bedfordshire, then lost 3–2 to defending champions Norfolk. Haley Yerxa, Mawgan Vater and Kelly Cooke lost singles matches, while Alison Franklin & Debbie Lear and Amiya Raja & Tala Clarke, won their foursomes.

We recovered against Cambs & Hunts. Haley and Tala won, and Sophie Brooke came from one down on 17 to halve. After Amiya & Debbie lost, Kelly & Amelia rallied from dormie three, birdieing the 18th to halve and secure team victory.

Against Suffolk, Tala won, Ruby narrowly lost and Haley halved against former professional Alice Barlow. Wins from Sophie & Mawgan (6&5) and Alison & Esther Strous (3&1) completed a 3.5-1.5 victory.

On the final day a convincing win was needed over leaders Essex to stand a chance of overall victory.

Haley beat Lizzie Taylor 8&6, and Kelly recovered from three down to halve. Tala lost 3&1, her only defeat, but earned the Mary Oliver Brooch for the most points achieved by a player across the matches.

Essex won both foursomes and the match 3.5-1.5 to become champions.

Norfolk's 5–0 win over Bedfordshire took them above us into second place overall.

Huge thanks to my squad and everyone who supported me throughout this journey. As a volunteer, I am deeply grateful.

Team Manager: Aly Nedza

BOYS UNDER 18

Coming off the back of a successful 2025 campaign which saw the U18s qualify for the national finals, expectations were high for what this year had in store for a much-changed group.

A squad of experienced players, aligned with several new faces, made for an exciting prospect and when the Cheshunt Salver was retained in early April against Essex at Bishop's Stortford Golf Club, things bode well for the upcoming league campaign.

An opening-day whitewash of both Middlesex and BB&O at Hadley Wood Golf Club and subsequent away wins with a weakened team against Essex and Middlesex at Woolston Manor Golf Club meant qualification for the regional final was in our own hands. However, when a much-depleted team of only seven players, with an average age of just 14, suffered two defeats on the final weekend, our chances were scuppered for another year.

The main event in the calendar is the England Golf Boys County Qualifier. 'The Six Man', as it's known was this year held at Ham Manor Golf Club in Sussex. Sitting in second place after the first round, where five of the six scores count, an eventual fourth-place finish meant our reign as title holders was over. However, despite coming up short in the team event, the individual prize once again returned to Hertfordshire as Nick Curran prevailed with two fine rounds to finish four under par.

Team Manager: Gerald Duddy

BOYS UNDER 16

When the new squad assembled for winter training last autumn, it combined experienced players with several outstanding younger talents.

The campaign began strongly at Flackwell Heath Golf Club defeating Middlesex 7.5–0.5 and BB&O 5–3. Hopes of another opportunity to become South East Regional Champions grew in round two, when we again beat Middlesex comfortably and drew with Essex, who had previously lost to BB&O.

The final round at Orsett Golf Club brought together the three leading teams: Hertfordshire on seven points, BB&O on six and Essex on five. Essex drew with BB&O, and Hertfordshire also drew with Essex, leaving the group title to be decided by our match against BB&O.

Unfortunately, only Freddie Buck and Louis Batrick-Wren recorded individual wins, while Tanus Van Molendorff's half point was not enough to prevent defeat.

There were understandably disappointed faces on the day, but this has been a wonderful group to work with. Individually and collectively, the players have every prospect of enjoying considerable success in the years ahead.

My thanks to coaches Matt Spencer and Laurence Allen, whose work over the past 12 months has transformed this group of players.

Team Manager: Graham Oram

BOYS UNDER 14

Another season has flown by, with outstanding golf, excellent etiquette, plenty of learning and development, and some massive improvements in scoring averages.

This age group category is often seen as a time for development and learning, but this team showed they were capable of much more. Over the three matches, Essex were beaten 3–0 and the boys drew 1.5–1.5 with Kent, only missing out on the final on countback.

The squad have made a huge effort to spend time together away from training, organising matches and extra practice sessions. They have shared experiences of local and national wins, including the Reid Trophy. This has helped them grow in confidence, support one another and develop as a team.

We chose one captain, Jack Wilkins, at the start, but several players showed the leadership qualities to have worn the captain's badge.

Putting on the county T-shirt, jumper and hat at such a young age is a hugely exciting and proud moment. It's clear how much it has meant to every player to represent the county this year and they should all be incredibly proud.

Team Manager: Ian Parker

GIRLS

Winter coaching for both the Performance and Development Squads was delivered by Jo Oliver, Glenn Gardiner and Beth Sellers. Four of the Performance Squad were selected by England Golf for Thames Valley Regional training.

Girls East Region Trophy Team

Warm-up matches against Porters Park and Essendon Juniors provided the girls with valuable matchplay experience.

County Match Days were played at Fynn Valley Golf Club, Suffolk on a sun-baked course. In the first match on Wednesday Norfolk were whitewashed 6-0.

On a much cooler Thursday morning Lily Wrangle recorded her first win for the county and rookie Abi Fleming also recorded a debut win. Ava Gadsby and Amelia Parker suffered final hole defeats and overall the team lost 4-2.

ON FRIDAY MORNING ANOTHER DEMOLITION, THIS TIME OVER CAMBS AND HUNTS, SET UP AN AFTERNOON TITLE DECIDER AGAINST ESSEX.

Lilly achieved a very creditable half point but overall things didn't go the team's way and a 5.5-0.5 defeat meant Hertfordshire finished second overall to Essex.

The East Region Trophy was held at Theydon Bois Golf Club, Essex. This competition needs a range of handicaps allowing for county rookies to play. Sky Howard scored an impressive 43 points as Hertfordshire finished second overall.

WOMEN'S SENIOR TEAM

The season began with a strong squad and plenty of enthusiasm. Being selected to play for the county is a privilege and honour, but it also requires commitment, travel, preparation and fitting golf around busy lives. The enthusiasm and dedication shown by the whole squad has been greatly appreciated.

A highlight has been seeing the squad's camaraderie grow over the last few years. County golf is always about much more than results, and this season has been a wonderful example of this.

Players from different clubs have come together and formed friendships, and the support given to one another has been fantastic. Most importantly, the players have enjoyed being part of a team and representing Hertfordshire.

It has been a mixed season, with some excellent performances alongside a few matches where things did not go quite according to plan. The team competes in two leagues and in the Berkshire, Buckinghamshire, Hampshire, Hertfordshire and Oxfordshire (BBHH&O) region, Hampshire took the honours once again despite us securing a draw in the final match.

In the East Region League, and having high hopes of retaining the title, Suffolk proved too strong for everyone this year. This strength was certainly demonstrated when the team travelled to Woodbridge Golf Club in the height of the glorious summer, with only one player managing to gain a point.

There was also plenty to celebrate individually. Congratulations go to Janet Proudfoot of Ashridge, a key member of the squad, who won this year's County Women's Senior Championship. It was a fantastic achievement, made even more impressive by the pressure of going into the event as the favourite. The whole team are extremely proud of her success.

Thank you to Tim, Rhonda, Chris and all the team at East Herts Golf Club for being such fantastic hosts for our home matches, they really do make it feel like a home away from home for the team.

Finally, a huge thank you to the players themselves for making the role of manager such an enjoyable one. Managing a team can certainly have its moments, but having such a friendly, committed and supportive group makes it a real pleasure.

The team are already looking forward to next season and to seeing what they can achieve together.

Team Manager: Lindsay Murray-Gray

MEN'S SENIOR TEAM

A historic season saw the team go unbeaten in capturing the Northern Section of the South East League and then completing the double by defeating Southern Section Winners Hampshire at Crews Hill Golf Club to be crowned champions of South East England.

Two pre-season wins against Surrey and Suffolk were followed by a resounding 8.5-1.5 opening league victory over Bedfordshire at The Bedfordshire Golf Club.

A strong BB&O team were next up at Berkhamsted Golf Club and it was with great satisfaction that we reversed last's year defeat with a fantastic 8-2 victory. High levels of confidence entering the next game with Middlesex proved to be fully justified with another 8.5-1.5 victory.

The final match of the season was away at Thorpe Hall Golf Club against an also unbeaten Essex. It was always going to be a tough match but in a hard-fought encounter the team came through 5.5-4.5 to be officially crowned champions.

There was drama even before the first tee shot of the shootout with Hampshire to decide South East Champions. On the eve of the match, one of our strongest and most consistent performers Mark Gershinson suffered a freak ankle injury and had to withdraw. He was replaced by Jason Court, playing his first league match of the season.

The match began with a mixture of good and nervy opening tee shots from both sides, which was understandable considering what was at stake.

After a few holes, the seniors were down in five, all square in one and up in four matches. The signs weren't encouraging but our number one England player, Steve Standing, put a stop to the negativity, playing blistering golf to beat his opponent 7 & 6. The result reverberated through the team, which gave them an injection of belief.

Gordon Stewart retained his unbeaten league record. Jason Court justified his call-up with a victory while Phil Embleton fell two behind early but rallied to win comfortably. Nick Leconte also took a full point while David Lang and Doug Montgomery halved their matches. Our defeats were tight affairs with John Ambridge and Paul Marshall losing on the 18th and 16th respectively. The winning point in the 7-3 victory was secured by Herts Senior Champion Simon Kay with an emphatic 5&4 success.

THE FANTASTIC ACHIEVEMENT WAS MADE EVEN MORE SPECIAL BY BEING ABLE TO SHARE IT WITH CADDIES AND SUPPORTERS WHO MADE IT FEEL LIKE A HOME TIE.

The final was played in great spirit, with both sides displaying some fabulous golf and the highest etiquette and sportsmanship throughout. We look forward to meeting our opponents again in a 2027 pre-season friendly.

Crews Hill were wonderful hosts and a final word of thanks to Mike and Simon of South East Golf Union for all their hard work administering the competition through the year and on the day, for refereeing and setting up the first tee display which gives the final the gravitas it deserves.

In addition to the two titles and invincible league season, the team had two second-placed finishes. In the Southern Counties Seniors Foursomes at Royal Blackheath Golf Club, we competed against Middlesex, Essex and Kent. Five pairs played two matches in a day and although we won four of the afternoon's session we could not claw back the morning deficit. It was another second place at the SEG Seniors' qualifier at Stoneham Golf Club in Hampshire. The six-man Hertfordshire team finished four strokes behind winners Sussex.

CREATING PATHWAYS FOR YOUNG GOLFERS

Brady Chapman

Jude Crowhurst

Max Fields

Brady Chapman was the **2026 Futures Tour Order of Merit** winner. Brady had a very consistent year, performing well across all the Futures Tour venues and picking up six trophies! Brady's enthusiasm for the game has grown immensely over the year and he will have high hopes for 2027 when he moves on to the iTour.

It was a case of history repeating itself as for a second year in a row, two players shared top spot in the **iTour Order of Merit**. Joint winners Jude Crowhurst of Letchworth and Max Fields of The Hertfordshire are two of the youngest on the tour aged 10 & 11 respectively.

Jude started the year strongly, winning the first two events before a broken arm ruled him out of the next three. However, on his return, he picked up where he left off and a consistent end to the season earned him a share of top spot.

Max Fields began the summer in Division Two but within a few events was promoted to Division One where he continued to show great form. Max has not been playing long and has quickly made an impression – winning four trophies this year. Congratulations to Brady, Max, Jude and all our rising stars from these tours.

The Futures Tour is the first step on Hertfordshire Golf's junior development programme and gives young golfers the opportunity to develop skills appropriate to their size and golfing experience on par three lay-outs. **The iTour** is the natural progression where more experienced juniors with higher or no handicaps take on the challenge of longer courses.

GOLF FOR EVERYONE

Karen Ellam

Head Professional Rob Leonard at Harpenden Common, in association with Hertfordshire Golf and funding from The Kate and Justin Rose Foundation, run very well attended training for children at Heathlands Deaf School in St Albans.

Pupils aged between six and nine attend and participation has doubled to around 20 since it began in the spring. Competitions were held in the summer and an older age group category got underway in the autumn.

Rowena Hemmings said: 'It's one of the more challenging projects I've been involved with in my time as Development Director as all communication is through BSL Sign Language. However, it's also been one of the most rewarding.'

Hertfordshire Golf takes great pride in its commitment to providing opportunities for all. In previous reviews, we focused on our initiatives around academies for women, Girl Guiding and supporting players with dementia, Parkinsons or who have suffered strokes. This year we feature Deaf Golf and, in particular, the amazing season of Karen Ellam.

Eighteen months ago Karen Ellam was unaware of England Deaf Golf but she most certainly is now! In the period since a friend brought the organisation to Karen's attention, she has represented Great Britain in the 2025 Deaf Olympics in Tokyo and enjoyed spectacular singles success this summer.

At the England Deaf Golf Championships at Worsley Park Golf Club near Salford, Karen won first prize in the Women's Scratch and Women's Senior Championships. She also achieved a very creditable fourth place at the World Seniors Championship in Sweden. Karen's achievement at Baersbeck Golf Club was particularly impressive as an arm injury meant she could only play a few holes of the practice rounds.

Karen is passionate about highlighting the opportunities for deaf golfers and is proud of the work of Hertfordshire Golf in this area. She has enjoyed becoming involved in development groups for both deaf women and children, helping to run the Hertfordshire Women's and Girls' Hub at Essendon Country Club.

A bit further afield, Karen has established a link with St George's Primary School in Toddington which has a specialist Deaf Unit. Karen has visited the unit twice to talk about her experiences.

Hertfordshire Golf Development Director Rowena Hemmings said: 'We are very proud of Karen, not only for her success on the course but for the work she does to support our initiatives around Deaf Golf. These initiatives are in keeping with our vision to provide golfing opportunities for all'.

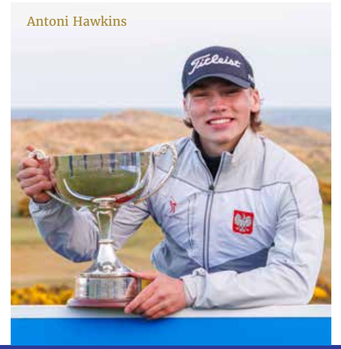
BEYOND OUR BORDERS

Sophia Fullbrook

Elaine Ratcliffe



Antoni Hawkins

Max Hopkins

Sophia Fullbrook of Brocket Hall secured an impressive four wins out of five in her maiden Curtis Cup appearance at Bel-Air Country Club in Los Angeles.

Although the USA reclaimed the trophy, Sophia was GB and Ireland's top point scorer, showing the form which has seen her win multiple times on this year's college circuit in America. Sophia also represented England in this year's Home Internationals series at Royal St David's Club.

Elaine Ratcliffe of Essendon won the English Senior Women's Amateur Championship at Bedfordshire Golf Club. The former Ladies European Tour professional and two-time Curtis Cup Captain finished in sixth position in the stroke play qualifying rounds and went on to beat Hampshire's Kerry Smith in the final, which needed an extra hole before Elaine emerged as champion.

Elaine also took five points from five matches as she helped England to the Senior Women's Home Internationals title.

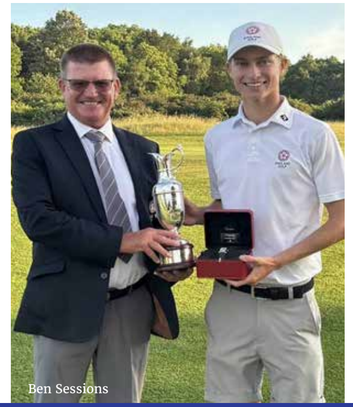
Antoni Hawkins of Sandy Lodge won the Scottish Boys Open Championship at Cruden Bay. Antoni carded rounds of 69, 68, 70 and 70 for a 72-hole aggregate score of 277 (-15).

Max Hopkins of Bishop's Stortford claimed a big win on the European Amateur circuit with victory at the Bernhard Langer Amateur Championship in Germany. This tops off a fine year for Max who won the individual prize at the South East Group Men's Team Qualifier. Max was also selected for England in the Home Internationals side and for a match against France.

New senior golfer and former professional Steve Standing of The Hertfordshire finished in a tie for fourth at the English Strokeplay Championship at Purdis Heath and Woodbridge Golf Clubs. A shot further back in a tie for seventh was former County Seniors Captain Simon Kay of Ashridge. Simon's performance earned him victory in the over 65 category.

Marcus Karim

England Senior Team



Ben Sessions

Steve Standing

Freddie Buck and Marcus Karim

In a strong debut season Steve won the Alan Hobson Trophy, the South East Group Men's Seniors' Championship event, played at Royal Norwich in Norfolk. Steve was also part of the triumphant England team at the Senior Men's Home Internationals at Royal St David's Golf Club. Marcus Karim produced three rounds of impressive golf to claim the 2026 Reid Trophy, the English Boys' Under 14 Open Amateur Stroke Play Championship, by one shot at Porters Park Golf Club

The 12-year-old East Herts member, who is also a member of the England Golf Thames Valley squad, carded rounds of 70, 71 and 71 to finish on two-over-par. Fellow Hertfordshire player Freddie Buck (Hadley Wood) and France's Alan Rode finished tied second, a shot behind Marcus.

Mihir Pasura of Moor Park achieved a quick-fire double with victories in two national events. Firstly the 13-year-old won the North of England Under 14 Junior Strokeplay Championship hosted by The Bradford Golf Club.

Mihir then followed up his 54-hole five-shot winning margin by triumphing over 36 holes at the inaugural Faldo Series Under 14 Championship at Mad Swans Golf Club. The event was notable for being played over a 12-hole course layout designed by Tom McKenzie.

Ben Sessions of Bishop's Stortford won the prestigious Sir Henry Cooper Junior Championship at Kings Hill Golf Club in Kent.

Ben led the 54-hole event from start to finish having opened a three-shot lead after a first round eight-under-par 62. This summer Ben also represented GB & Ireland in the Jacques Leglise Trophy against Continental Europe as well as playing for England in the Home Internationals in Scotland.

James Andrews of Letchworth qualified to represent England Schools in an international match against Wales Schools. James was selected after finishing third at the England Schools National Championships.

Ava Gadsby of East Herts marked her England Girls U16 debut against Scotland by taking two points from her two games – including an emphatic 9&8 win in the afternoon at Heswall Golf Club in Cheshire.
