Extreme Weather Policy

Policy Statement

The purpose of this policy is to ensure the organisation maintains a duty of care that protects the staff, playing members and volunteers.

Hertfordshire Golf will postpone any scheduled Championship or strokeplay competition if a Met Office Red warning for extreme weather is in place for the location of the host club.

If any League or knockout match is due to be played on a course where a Met Office Red warning for extreme weather is in place, the match may be postponed at the request of either of the clubs/teams/players involved.

The overall responsibility for this policy lies with the Championships Committee.

Responsible Person: Championships Director
